

A. Read the story below and circle the best answer. (10%)

A Foolish Frog

A rat was very sad. He wanted to cross the river but he could not swim.

A frog came and tried to help him. The frog tied one end of a piece of long grass to the rat's tail. He tied another end to his own leg. Then he pulled the rat into the river. The rat was very scared. He could not swim.

After a while, the poor rat drowned. His body floated on the water.

Just then, an eagle flew by. She saw the dead rat. She flew down and snatched the rat's body. The frog was also carried away by the eagle. In the end, both the rat and the frog were eaten by the eagle.

1. The rat could not cross the river because _____.
